ASSOCIATION OF RESEARCH LIBRARIES
WASHINGTON, DC
2009
The tables presented in this publication are not indicative of performance and outcomes and should not be used as measures of library quality. In comparing any individual library to ARL medians or to other ARL members, one must be careful to make such comparisons within the context of differing institutional and local goals and characteristics.

The ARL Statistics datafiles and accompanying documentation are available at www.arl.org/stats/annualsurveys/arlstats/index.shtml.
