**Other title name:** History E-Book Project

**Available from:** WWW

**Type of Resource:** Texts and Links

**Description:** The History E-Book Project contains a growing number of books (electronically converted) frequently cited in the literature but not currently available, and it will publish new electronic titles that will use new technology to communicate results of scholarship.

**Subjects:**
- Western European Studies and Languages
- Classics
- Jewish Studies

**Online catalog no.:** 48672749

**Access Information:**

This resource is restricted to people who are either on campus, or associated with MSU. People off campus will be routed to an intermediate page to enter their MSU NetID and password. Entering this password once will allow access to all of the MSU Libraries’ IP-restricted resources, as well as other MSU “Single Sign On” services such as the Course Management System and the “View Your Library Account” section of the library catalog. This access will last until your browser’s cookies are cleared, or until you log off from a service that uses Single Sign On.
