

E-book Reader Loan Policies

The screenshot shows the NCSU Libraries Learning Commons website. At the top left is the NCSU Libraries Learning Commons logo. To the right is a search bar and an "Ask Us" button. The main content area is divided into three columns. The left column contains three sections: "Favorites" with links to Catalog, Find Articles, Library Tools, Citation Builder, Get a Room, Library Map, Reserves, and Webmail; "What's Here..." with links to Computers, Digital Media Lab, Expert Help, Gaming, and Group Study Areas; and "Borrow" with a list of items including Laptops, Cameras, Camcorders, iPods, Mp3 Players, GPS Units, USB Flash Drives, Graphing Calculators, Voice Recorders, and eBook Readers. The middle column features the "eBook Lending Service" section, which includes a description of the service, loan terms, and details for Amazon Kindle and Sony Reader devices. The right column displays three images of eBook readers: a Sony Reader, an Amazon Kindle, and another Sony Reader. The footer contains navigation links, copyright information, and the NCSU logo.

Amazon Kindle Available for Checkout

The library has purchased an Amazon Kindle that VU faculty, students and staff may check out from the service desk for a loan period of two weeks. There are 11 e-books currently downloaded on the Kindle, consisting mostly of computer science and web development books. Please give the Kindle a try and let us know what you think of it as a portable e-book reading device for a library. Read the Gizmodo Kindle review.

Stevenson Library Kindle Content List:
