Mentoring Program Evaluation

The Mentoring Committee would like feedback about the Peer Mentoring program from both mentors and mentees. The Committee is interested in your evaluation at any point during this process. Please send your completed questionnaire via email if possible, or on paper, to Phyllis Payne (pcpayne@bu.edu) after you’ve finished meeting as mentor and mentee. We will consider all suggestions for improvements; please limit your responses to comments about the mentoring process.

For Mentees:

- Has the Peer Mentoring Program helped with your transition to working at the Boston University Libraries? Please elaborate.

- What activities, explanations or introductions would you add and/or delete and why?

- Do you have a good beginning sense of how the Library and the University function? How did the Peer Mentoring program contribute to this understanding?

- How did you learn about instructional opportunities at BU?

- Do you understand the opportunities that BU offers for meetings, conferences and workshops for continuing education?

- Did you find the Peer Mentoring Checklist useful? Please elaborate.

- How has your participation in this program affected your relationships with other library staff members?

- How often did you meet with your mentor in person, by phone and/or by email? Was the number of meeting times sufficient? Was the method of communication effective? If not, what would work better?

- What other comments would you like to make?

For Mentors:

- How do you think that the Peer Mentoring Program helped your mentee with his/her transition to working at BU?

- What activities, explanations or introductions would you add and/or delete and why?
What did you learn about BU or the Library that you didn't know before?

Did you find the Peer Mentoring Checklist useful? Please elaborate.

How often did you meet with your mentee in person, by phone and/or by email? Was this effective? If not, what would work better? Did you find it difficult to meet with the mentee four times a month?

How would you evaluate your mentoring training?

What other comments do you have?
