Forming your Summer Reading List

As spring turns into summer, the thought of lounging on the beach with a great read enters my mind. In fact, I hope to read several novels over the course of the summer. This is all well and good, but how exactly does one decide what to read?

Morris Library's Blurbs
 About me:
 Morris Library is the main library for Southern Illinois University Carbondale. We also serve the students and staff at John A. Logan College and Carbondale Community High School, as well as the greater Carbondale area. We have millions of pieces of stuff for you to use, including books, audio and video recordings, journals, magazines, newspapers, maps, government documents, items of historical significance, posters, the odd stuffed animal or hand puppet, a statue of Abraham Lincoln that improves your luck when you rub its nose, and a staff dedicated to helping you find what you want or need.
 We are open 7:30am to midnight, Monday through Thursday, 7:30am to 9:00pm on Friday, 10:00am to 9:00pm on Saturday, and 1:00pm to midnight on Sunday. Check for special hours here.
 You can learn more about us at our main website, www.lib.siu.edu.
 Who I'd like to meet:
 Everyone! Especially SIUC students, faculty, and staff.
 If the librarian is "offline", please leave your email address so that we can respond. Thanks.
