ARL Statistics 2009–2010

The tables presented in this publication are not indicative of performance and outcomes and should not be used as measures of library quality. In comparing any individual library to ARL medians or to other ARL members, one must be careful to make such comparisons within the context of differing institutional and local goals and characteristics.

The *ARL Statistics* datafiles and accompanying documentation are available at [www.arl.org/stats/annualsurveys/arlstats/](http://www.arl.org/stats/annualsurveys/arlstats/).
