1 Eighty-three ARL university libraries included data for a law library in the 2012–2013 ARL Statistics. Among them, Alberta, British Columbia, Calgary, Laval, McGill, Manitoba, Ottawa, Pittsburgh, SUNY-Buffalo, and Wayne State did not complete this survey. Colorado completed this survey but did not include law library data in the ARL Statistics. Texas A&M included data for the law library for the first time this year, but the data were submitted as part of the ARL Statistics, and a separate survey for the law library was not completed. Rutgers has two administratively independent law libraries, which respond separately to this survey; they are aggregated together in the ARL Statistics.
