ARL Statistics 2012–2013 Worksheet

This worksheet is designed to help you plan your submission for the 2012–2013 ARL Statistics. The figures on this worksheet should be similar to those in the “Summary” page of your web form, except in cases where data are unavailable. If an exact figure is unavailable, leave it blank. The Primary Contact should carefully review the totals for each question; and if they are not representative of the overall institution, the Primary Contact can mark the question NA/UA at the publication level screen.
