Notable Innovations

Communicating Public Computing Info to Users

Blogs, Bulletin Board/Forums, RSS feeds

Case Western Reserve. KSL Tech Blog
Blog and RSS approach.
<http://library.case.edu/ksl/techteam/mission.html>

Also see "ITS News."
<http://library.case.edu/ksl/techteam/>

University of California, Los Angeles. College Library Instructional Computing Commons
Includes technical bulletins via RSS.
<http://www.clicc.ucla.edu/>

North Carolina State University. Talk
Online bulletin board with RSS feed available.
<http://www.lib.ncsu.edu/learningcommons/forum/viewforum.php?f=2>

Communication of Policies

University of Iowa. Library Public Computer and Print Management
A remarkably well-written explanation to users regarding why the library implemented desktop authentication.
<http://www.lib.uiowa.edu/help/faq/faq-computers.html>

University of South Carolina. Authentication Requirement for the Library's Public Computers
Another example of a well-written explanation to users as to why the library chose to implement the procedure.
<http://www.sc.edu/library/systems/authenticate.html>

University of Virginia. "When I go to U.Va..."—The Responsible Computing Video
Unique campus-level policy communication that benefits the library and its users.
<http://www.itc.virginia.edu/pubs/docs/RespComp/videos/home.html>
and the "Responsible Computing at U.Va." Web site
<http://www.itc.virginia.edu/pubs/docs/RespComp/>

Finding Hardware and Software

University of Kansas. Computer Labs

Interactive and searchable campus-wide directory (includes libraries) of hardware and software by location.

<http://www2.ku.edu/cgiwrap/workshops/train/index.php?SCREEN=labs>

University of Maryland. Where To Go To Find A Computer

Includes the library.

<http://www.oit.umd.edu/wheretogo/seeTable.cfm>

Michigan State University. Software Search

Includes the library.

<http://attend.acns.msu.edu/computerLabs/searchSoftware.php>

Yale University. Software Search

<http://research.yale.edu/css/student/software.jsp>

and Equipment Search

<http://research.yale.edu/css/student/equipment.jsp>

Public Workstation Availability

Boston College. Computer Availability

<http://www.bc.edu/offices/infotech/depts/slsc/availability/>

University of California, Davis. Computer Rooms Available

<http://clm.ucdavis.edu/rooms/available/>

Cornell University. Laptop Access

Real-time laptop availability at Mann Library.

<http://www.mannlib.cornell.edu/computing/laptops/index.cfm>

Duke University. Are workstations available right now?

<http://library.duke.edu/services/computing.html>

Emory University. Current Learning Commons Usage

<http://web.library.emory.edu/learningcommons/usage.php>

North Carolina State University. Computers in D.H. Hill Library

<http://www.lib.ncsu.edu/compavailability/web.php>

and Computers in the Learning Commons

<http://www.lib.ncsu.edu/compavailability/lc-web.php>

Includes live video. They explain how they created these features here:

<http://www.lib.ncsu.edu/dli/projects/compavailability/>

University at Albany, SUNY. Computers Availability in University Libraries
<http://library.albany.edu/infocommons/map.htm>

University of Tennessee. Current Labs Usage
<http://www.labs.utk.edu/usage/currentusage.asp>

University of Utah. Lab Status of the Marriott Library Multimedia Center
http://labstatus.scl.utah.edu/mmc_login.php

Yale University. Cluster Support Services
Campus map with pop-ups of lab locations (including libraries) that includes workstation availability.
<http://research.yale.edu/css/student/clustermap.jsp>

Reserving Public Workstations and/or Laptops

Brigham Young University. Reservations
http://www.lib.byu.edu/index.php?tab=tab1&menu=rese_menu

New York Public Library. Make a PC Reservation
<http://nypl.org/pcres/reserve.pl>

University of Oregon. Booking A Laptop
<http://libweb.uoregon.edu/commons/laptops/booking.html>

Reservations of collaborative workstations can be done at
<http://janus.uoregon.edu/record=b3615397>

Note that text messaging to cell phones is also available.

Scanning

University of North Carolina at Chapel Hill. How Do I Scan?
Flash-based online tutorials.
<http://www.lib.unc.edu/reference/eref/howdoiscan.html>

Software Installation

Northwestern University. Software Installation
A form submission for software installation requests which includes library computing areas.
<http://database.at.northwestern.edu/p/SoftwareRequest/SoftwareRequest1.cfm>

Foreign Languages

University of North Carolina at Chapel Hill. Typing in non-Roman languages
<http://www.lib.unc.edu/reference/eref/keyboardcovers.html>

Also provides information on switching keyboard characters

http://www.lib.unc.edu/house/how_do_i/technology/switch_the_keyboard_to_another_language's_characters.html

"Knowledge," "Information," or "Learning Commons"

Note: although some of the institutions below were respondents to SPEC Kit 281 "The Information Commons" (2004), these URLs were not included in the SPEC Kit on that topic. Because they are public computing "hubs" they are included here.

Brigham Young University. Information Commons

<http://net.lib.byu.edu/gen/ic/index.html>

University of British Columbia. The Information Commons at the UBCO Library

<http://www.library.ubc.ca/ubco/InfoCommons.html>

McMaster University. @ Mills Learning Commons

<http://library.lib.mcmaster.ca/mills/learningcommons/>

North Carolina State University. NCSU Libraries Learning Commons

<http://www.lib.ncsu.edu/learningcommons/>

Northwestern University. InfoCommons

<http://infocommons.northwestern.edu/>

Includes an interactive, Flash-based floor plan with detailed information on computing workspaces at

<http://infocommons.northwestern.edu/features.html>.

Ohio University. Learning Commons

<http://www.library.ohiou.edu/serv/lc/index.html>

University of Saskatchewan. Learning Commons

<http://www.usask.ca/learningcommons/>

University at Albany, SUNY. Information Commons

<http://library.albany.edu/infocommons/>

University of Virginia. Scholars' Lab

<http://www.lib.virginia.edu/scholarslab/>

University of Washington. Computing Commons

http://catalyst.washington.edu/learning_spaces/computing_commons.html

Washington University in St. Louis. ARC Library Technology Center
<http://library.wustl.edu/units/arc/index.html>

Wayne State University. Extended Study Center
Provides a mostly 24-hour study area with computers, printers, copiers, study tables, and helpdesk support.
http://www.lib.wayne.edu/services/computing/extended_study.php

University of Wisconsin-Madison. Steenbock Memorial Library Information Commons
<http://steenbock.library.wisc.edu/infocommons/index.html>
and Ebling Library InfoCommons
<http://ebling.library.wisc.edu/infocommons/>

Podcast Production

University of Southern California. Leavey Library Podcasting Studio
<http://www.usc.edu/libraries/locations/leavey/podcast/>

Printing and Scanning Services

Syracuse University. Digital Imaging Services Center
http://library.syr.edu/information/digital_services/disc/

Software & Media Vending

Kent State University. Computer Disk Vending Machine
<http://www.library.kent.edu/page/10313>

User Assistance

University of Kansas. Deskside Coaching
<http://www.lib.ku.edu/instruction/it/deskside/>

McMaster University. IT Chat help
<http://library.lib.mcmaster.ca/ithelp.htm>

New York Public Library. Computer Page Program
<http://www.nypl.org/branch/services/pages/about.html>

Purdue University. Customer Support Online

A twenty-four hours per day, seven days per week way to submit questions or requests for service to the Information Technology Department of Purdue University Libraries.

<http://www.lib.purdue.edu/itd/customerservice/cso.html>

Virtual Workstation

University of Texas at Austin. Software Installation Station

Virtual PC that gives software installation privileges to patrons.

http://www.lib.utexas.edu/help/libstations/Virtual_PC/sis.html

Web Conferencing

University of Utah. Virtual Classroom

<https://marratech.scl.utah.edu:8001/>

Institution Innovations (non-library)

Remote Access to Public Computers

University of California, Los Angeles. Social Sciences Computing After Hours

<http://access.labs.sscnet.ucla.edu/>

North Carolina State University. Virtual Computing Lab

<http://vcl.ncsu.edu/>

University of Wisconsin-Madison. Computer-Aided Engineering Center

<http://www.cae.wisc.edu/site/public/?title=fsrwinxp>

Note: All URLs accessed November 12, 2007.
